

GRIEVANCE PROCEDURE

The Hope Valley Netball Club recognises that from time to time complaints and grievances can occur, this is the case in every sports club. It is our aim that any complaint or grievance is handled quickly, fairly and effectively for all parties.

The Hope Valley Netball Club aims to:

- Promote an equitable sporting environment for all club members
- Provide a safe and inclusive environment for all members
- Offer proactive solutions to resolve any concerns as they arise and respond to all grievances in a timely manner.
- Maintain the confidentiality of all parties involved.

Hope Valley Netball Club recognises that all concerns are valid and that they will be resolved as outlined in the Grievance Procedure.

As part of the Grievance Procedure, Hope Valley Netball Club has nominated a **Member Protection Information Officer** (also known as the Membership Officer) as voted by the club committee.

The Member Protection Information Officer (MPIO) is the first point of call for any enquiries, concerns or complaints about harassment or abuse. The MPIO provides information and moral support to persons with concerns/complaints. The MPIO provides information and guidance on complaints procedures - they are the 'go to' person if you want to discuss problems at our club, particularly if you are considering making a formal complaint.

They will offer proactive solutions to support the club and the members involved.

If you have a concern with respect to a child safety issue please speak with Child Safety Officer.

The Grievance Procedure is outlined on the following pages.
