Leeds Avenue, Hope Valley SA 5090

UMPIRE COORDINATOR

The role of the Umpire Coordinator is to ensure the club has appropriate umpires for all teams' games and manage the weekly attendance of these umpires.

Core duties are as follows:

- Assign umpires to each team for each round and communicate this to the umpires via Umpire Allocations.
 - Find replacements for absent umpires when needed
 - Assign umpires for grading sessions and carnivals as required
- Coordinate the Umpire Mentor Programme in consultation with the umpire mentors, maintain the associated waitlist to ensure fair access to the program.
- Communicate umpire training opportunities to appropriate umpires.
- Ensure umpires meet requirements before commencing umpiring at SADNA.
- Collate the SADNA Umpire Nomination sheet for submission with the clubs' team nominations.
- Collate Umpire payments approximately each fortnight and advise Treasurer of umpire payments.
- Facilitate rule clarification and discussion with Mentors, Umpires and Coaches as required.
- Attend HVNC Committee Meetings and report any relevant umpire information to the Committee.

We estimate the time commitment to be about 30 - 60minutes per week with a bit more time required at the start of each season to set up umpire/team requirements for the season.

The committee understands that all volunteers have other commitments, whether that is work or family. These duties can be managed around those commitments.

Please feel free to call me on 0466 668 845 if you would like to discuss this role further.

Regards,
Keith Waugh
President
